Dear Harold;

I am enclosing a check for $20.75 for the two "Whitewash" sequels and the King assassination book, as per our talk. I presume that the going rate is 4.95 plus 30¢ for postage for all but the King book. Please confirm that price; I might be able to get you customers, if that's OK with you.

I would like to work together a little short talk for friends, etc., based on your work. (I definitely do not plan to go on a lecture tour!!!) + I do not have the "Inquiry" (26 vol.). I would like to find "more original" photographs to copy onto slides + prints and I wonder if some Saturday if I could not come up to your place + copy some of your photographs + pictures... even if they're in the Inquiry. They would undoubtedly come out better than if I tried to copy them from second copies in books. e.g. the Altgen's photograph, Ex 386, 397 etc. I have always regretted not saving the

copies of the Life magazines which had the ~~[illegible]~~ frames from the Zapruder movie, the photos of people running to the knoll, the Shaneyfelt Exhibit No. 25, etc. These were good prints suitable for copying! I hope you might even have ~~[illegible]~~ the ~~[illegible]~~ magazines around.

Please let me know if it's alright to mention your name when I write Penn Jones. I don't know how reluctant he might be to sell copies of the Zapruder film without some recommendation!
